Organization Chart

Can Man Limited, Inc. is a high-performance manufacturer and exporter of a full spectrum of clothing and fashion wear for men, women, boys and girls, which includes formal suits, sport jackets, shirts, shorts, jeans, khaki pants, swimsuits, dresses, underwear, lingerie, contemporary, and work clothes.

We employ the most experienced, meticulous, and detail-oriented workers, combined with the cutting-edge technology and scientific management, in order to carefully, precisely and timely produce clothing products of extraordinary quality that will satisfy our most difficult clients from the US, EU, and Japan.

Our manufacturing process breaks down production into quality controllable tasks, and our workers are specifically trained for each tasks that are needed to meet the specific demands of the top tier clients in the international clothing and fashion world.

SHOWROOM

Samples & Design Department

Warehouse

The most precious asset of our company is our workers. They are the tailors, quality controllers, fabric specialists, and designers who graduated from fashion schools nationally and internationally. They understand and have the ability to operate all machines used in the production process.
